Dear Ms. Sin,

It is with immense pleasure that I write to share news regarding the remarkable achievements of your former students in their studies at The ELCHK Yuen Long Lutheran Secondary School and their offers of admission from the JUPAS (Joint University Programme Admissions System):

Year of graduation from your school	Name	University	Programme
2020	關偉豪 GUAN Wai Ho	CityUHK	BSc Data and Systems Engineering
	何田 HE Tin	EdUHK	Bachelor of Arts (Honours) in Creative and Digital Arts and Bachelor of Education (Honours) (Visual Arts)

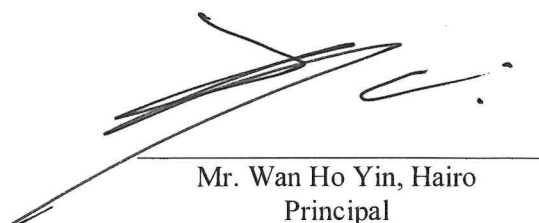

Tin has also been offered a place to study at The Hong Kong Academy for Performing Arts (HKAPA). We extend our heartfelt congratulations to the remarkable students of YLPMS Alumni Association Tang Ying Yip Primary School. Their achievements reflect not only their individual talents but also the strong foundation provided by your dedicated teaching staff. We truly value our partnership and appreciate the high-quality students you recommend.

Over the past five years, our school has consistently surpassed the Hong Kong average in the HKDSE, achieving an average credit percentage of around 65% and a pass percentage of approximately 99%. Over 90% of our graduates have gained admission to local universities, with nearly 60% entering prestigious institutions such as HKU, CUHK, HKUST and PolyU. These results highlight our shared commitment to fostering academic excellence.

Please convey our congratulations to your students and encourage them to embrace the opportunities ahead. Thank you for your continued support. We look forward to celebrating further successes together.

Yours sincerely,

Mr. Wan Ho Yin, Hairo
